# The Allen Urch MBE Memorial Open Meet 2024

## Message from Sutton SC

Firstly welcome one and all, it is our absolute pleasure to welcome you all to the very first Allen Urch MBE Memorial Open Meet.

Our open meet has been in planning now for almost a year and the support we have received from other clubs, the local community and volunteers from both in and outside the club has been phenomenal. Now the preparations are coming to an end we hope you all enjoy the day and want to come back and join us again next year.

Rarely in life, we come across an individual who has the ability to transcend boundaries and influence on a scale well beyond the might of one man. We are incredibly lucky to have been the home to Allen Urch for over 50 years of his life, supporting local swimming and coaching generations of swimmers to be the best they can be.

Allen's influence was not restricted to just the club, with him taking an active role in supporting the Notts ASA and other local clubs.

Throughout the years Allen moved around the club, providing support to wherever it was needed. In his later years of coaching his focus was with the junior end of the squad and therefore we felt it fitting that our open meet be focused around these swimmers, with special awards (The Allen Urch Award) for the top Junior Open/Male and top Junior Female.

Allen was also a lover of relays, I remember well and have spent time talking with others in the sport over the last few months, of the Free Press relay gala, with a personal favourite being the 10 leg 4 swimmer medley which was always a great watch. We hope to continue with some of that tradition with our own relays which will be at the end of each session, we hope to see everyone in the pool area at this time supporting there teams.

Sutton swimming club is what it is today due to the inspiration of people like Allen, we hope that this meet along with the years of memories he instilled into the club, will continue his legacy of inspiring others in the sport. You will see at the meet the family spirit that has been instilled and continues to thrive through the club, as you will be greeted with a smile and supported by the army of volunteers, some of which are Allen's family members.

Sutton SC continues to grow year on year, our meet is another step in the clubs growth. We have some exciting announcements as we plan for 2025.

A reminder that the meet is in aid of Dementia UK, so please buy some raffle tickets, donate in the tins, and enjoy what we hope to be a fantatsic day in honour of a truly special man.

Simon Hill  
Head Coach
