

## Rejected Entries Report for Nova Centurion Level 2 Meet - 2EM231063

26 PAGES - please do not PRINT!

Notes;

Apologies for the basic nature of this document. Available time dictated this.

The refund amounts below can only be produced using the fee for ELECTRONIC ENTRY.

We are aware that MANY of these entries will have actually been paid as MANUAL ENTRY FEES at £8.50 per event.

We have done EVERYTHING possible to minimise the number of rejections, that became necessary.

This was primarily due to the cancellation of the Stockport L2 meet on our CLOSING DATE!

Almost 1000 more swims than usual were received on that evening alone, mostly as individual MANUAL entries.

This was a huge administrative challenge and we have squeezed in as many swims as physically possible.

We sought and gained approval from the RLO to remove the planned FINALS from the 100m events and convert all events to HDW. We sincerely hope you will support this decision.

Doing so allowed us to run additional heats of the distance events.

We are publishing documents ASAP. An ACCEPTED entry report and TIMELINE will follow.

Thank-you for your patience as we try to manage this difficult situation.

**THE THREE RESERVES for the 800m and 1500m Events are indicated below where appropriate.**

**NB - Rejections were identified in accordance with the meet conditions.**

They are based on setting a maximum number of heats for each event and then raising the QT's across

ALL age-groups by the necessary percentage to identify the slowest times in each age-group.

Events therefore have roughly 80% of the number who originally entered them. (variable to ensure full heats).

All-entry times were compared to their respective age-group QT and were then RANKED based

on their percentage difference to the age-group QT.

As a guide, it was necessary to raise the QT's in the region of 5% to 8% to identify sufficient withdrawals.
