## COUNTY CHAMPIONSHIPS

Corby East Midlands  
International Pool

28<sup>th</sup> & 29<sup>th</sup> January

Welcome to the wonderful Corby East Midlands International Pool, I would like to extend a very warm welcome to everyone who is attending the Northamptonshire Amateur Swimming Association's 2023 County Championships.

Once again, this year's championships involve four very full days of racing over two weekends for the main events, with two separate sessions for 800 and 1500 metres.

The championships are a massive logistical exercise and I would like to especially thank the organizing committee for their efforts in arranging all of the sessions, again producing a very efficient and seamless meet.

Thanks as always must also go to the large number of technical officials, backroom staff, stewards and marshals who all give their time freely to ensure that our young athletes enjoy a successful championships.

I would like to acknowledge the time and effort put in by all the coaches and volunteers who run the swimming clubs within the county, giving their support to competitors of all levels and preparing them to be the best that they can be. Some of the young athletes here will be experiencing their very first championships, whilst others will be experienced competitors at the very highest level; many will use times achieved here to qualify for higher level competitions.

I hope all swimmers have a successful and enjoyable time at this year's championships.

A real vote of thanks must also go to parents, family and friends for your continued commitment and support.

New volunteers are always needed for all of the roles you will see here today (and some you won't), so if you feel you would like to get involved in any capacity either poolside, or in any of the other essential backroom or front of house roles that make clubs and competitions successful, please contact your club secretary.

Finally, I would like to thank the staff and management of Corby International Pool who always make us very welcome.

Andy Aitken  
President  
Northamptonshire ASA
